

## Precautions when using EV tuk-tuks

Please read and agree to the following terms and conditions, then check the box.

### 1.About EV Tuk Tuk

- ☐ Before driving an EV tuk-tuk, please make sure to receive an operating instruction by our staff.
- ☐ Follow the same rules as for EV tuk-tuk vehicles.

### 2.Insurance

〈Our EV tuk-tuks are covered by the following insurance policies〉

Body Injury Coverage	Property Damage Coverage	Passenger Injury Coverage	Vehicle Coverage
( the other party ) unlimited per person (including CALI)	(the other party' s vehicle) unlimited per accident (Exemption amount:0 yen)	Up to 10 million yen per person (death or disability only) Daily hospitalization ¥7,500 Daily hospital visit amount ¥5,000	700,000 (deductible : 50,000 円)

- ☐ Insurance will not cover repairs in case of violations, improper use, or contract breaches; costs will be borne by the customer.
- ☐ Please note that we cannot guarantee any damage to your belongings or pets due to accidents.

### 3.Customer Responsibility for Accidents

#### ① Rental Fee

- ☐ No refunds for self-inflicted accidents. If drivable, please return the vehicle; if not, we will pick it up and end the service.
- ☐ No-fault accidents: extend use if drivable; otherwise, unused time will be partially refunded
- ☐ Accident during the lecture are also handled the same way.

#### ②Vehicle and operating guarantees

In the event of an accident, a maximum self-pay amount of \$100,000\$ JPY each for vehicle repair costs and business compensation costs will apply, but this deductible is waived for customers enrolled in a compensation plan. Please select your desired compensation plan.

- ☐ Safety & Relief Compensation Package (¥3,500): Covers both vehicle repair costs and business compensation costs.
- ☐ Vehicle Compensation (¥2,000): Covers vehicle repair costs.
- ☐ Business Compensation (¥2,000): Covers the business compensation costs
- ☐ Do not join either

If you opt for only one, or neither, of the Vehicle Compensation and Business Compensation plans, please sign the Pledge Regarding Self-Pay Amount for Non-Enrollment on the reverse side.

**(Due to the Tuk-Tuk's unique 3-wheel structure, we highly recommend insurance coverage to avoid significant liability costs.)**

※See reverse for detailed liability costs.

#### ③ In the event of an accident

- ☐ In the event of an accident, you must contact us immediately. Failure to report the accident and continuing to drive will result in a penalty fee of ¥30,000.  
(You must contact us immediately, even for a minor self-inflicted accident. The penalty fee will still apply, regardless of your enrollment in a compensation plan.)

### 4.Obligation to Pay a Fine for Illegal Parking

- ☐ For parking violations, you must report to the police, pay the fine, and present proof at return. If not, a 25,000 yen deposit will be taken and refunded after confirmation.

### 5. Returning a Vehicle

- ☐ Returns over 15 minutes late or without notice will incur a fee. Please contact us if delayed.
- ☐ For early returns, please contact us in advance. No refunds will be given for returns due to customer reasons.

## 【 Non-Insurance Liability Agreement 】

Uncovered parties must review, check, and sign all items.

- ☐ I understand the risk that, in the event of an accident or damage, if I am not enrolled in the compensation plan, I will bear the full cost, which may result in a claim of up to \$200,000\$ JPY.  
( If only one compensation (Vehicle or NOC) is held, the limit is \$100,000\$ JPY )
- ☐ Accident costs (repair/NOC) are due on the same day (cash/card/transfer). If unable to pay immediately, I agree to sign a document and pay within two weeks.
- ☐ I agree that if payment is not made after the two-week period, legal measures, such as a small claims court action, may be taken.
